Mr. Lee
Shang Chin English Japanese Korean
No. 250, Zhishan Rd., Xitun Dist.,
Taichung City, Taiwan, R.O.C.

Dear Mr. Lee:

I am writing to apply for the Front-end Engineer Intern position recently advertised on the 104 website. Upon discovering this opportunity, I was immediately drawn to the innovative projects and dynamic work environment at Shang Chin English Japanese Korean. With a solid foundation in computer science, complemented by coursework specifically tailored to front-end development, I am eager to contribute my skills and enthusiasm to your esteemed organization.

I will receive my Bachelor of Engineering degree in Computer Science from National Yang Ming Chiao Tung University in June 2027. Throughout my academic journey, I have excelled in relevant coursework, including Introduction to Computers and Programming, and Data Structures and Object-oriented Programming. Additionally, my hands-on project experiences have equipped me with practical skills in JavaScript, CSS, HTML, React, and Node.js.

During my time at university, I actively participated in extracurricular activities such as the Google Developer Student Club, where I collaborated with peers on full-stack projects and attended workshops on UI/UX design. These experiences have not only expanded my technical skills but also fostered my ability to work effectively in collaborative environments.

Please find my attached resume, which provides further details about my education, projects, and skills. I am enthusiastic about the opportunity to discuss how my background and experiences align with the needs of Shang Chin English Japanese Korean. I am available for an interview at your earliest convenience and can be reached at 0900-616-222 or via email at lioukiki.cs12@nycu.edu.tw. Thank you for considering my application. I look forward to the possibility of contributing to your team and discussing my qualifications in more detail.

Sincerely,

Jia-Chi Liou
